Turkey Information

Farmer: J. & A. Garth, Lancaster.

Breeds: White, Bronze & Black. (Breed cannot be guaranteed)

Price: Affected by demand around Christmas so unfortunately cannot be predicted. £6.75 per lb is a safe guide based on recent years. Crown prices likely to be around £6.35 per lb.

Freshness: All our meats are fresh; nothing has been frozen.

How big? *Rule of thumb for full birds is 1lb per serving (remember the bird carries weight that you don't eat so don't think "They won't all eat 1lb each!") For boneless crowns the guide is ½ lb per person which is all meat. However, ultimately it depends how hungry all your guests are!

OUT OF HOURS COLLECTION We are operating an out-of-hours collection for meat orders. This does not need to be booked, just turn up! However, the main shop will still close at 5pm and you won't be able to browse.
